

**ALREADY HAVE YOUR C.C.W. ?**

## **ASK YOURSELF**

You already carry a gun for self protection and defense of a loved one, but do you really have the skills and necessary knowledge to make your firearm **and YOU** perform in such a critical situation? Learn those skills from our U.S. Marine instructors at **Concealed Carry Courses!**

The instructors at **Concealed Carry Courses** can help you in developing those skills with our **PERSONAL 1 ON 1 training**. We have the best range possible with training aids such as Steel swinging targets, Bobbing targets, Walls, Barrels, Barricades, Shoot and maneuver and much more. We have the best commitment possible to help you develop the necessary skills needed to increase your chances to **STAY ALIVE** in a deadly force encounter!

We teach people of **ALL skill levels** (from a total novice to a lifelong shooter) new ways to increase their chances to stay alive in a deadly force encounter. You can pay by the hour for this special training, from 1 alone, or up to 4 people in a group. Each person still gets 1 on 1 instruction. For rates and more info. Call us at the numbers listed below.

One should not wait until confronted with a deadly force situation to find out the **HARD WAY** if you have the skills necessary to survive?

Being a good gun owner means you have the responsibility to learn those skills!

We are located at 6308 Brookpark Rd, Cleveland, Ohio, 44129
