HOME FIREARMS SAFETY CLASSES

Don't let a Terrible Accident happen!

Learn how to keep and store firearms SAFELY!

Location- 6308 Brookpark Rd, Cleveland, Ohio, 44129

All instructors are N.R.A. Certified instructors who served in the U.S. Marine Corps and are highly trained professionals. Pre-registration is required to reserve a seat.

These FREE firearms safety seminars are held every other month and are about 2 hours long. They are for **anyone** wanting some basic knowledge on firearms safety in the home. They do not teach shooting techniques or the law. There is NO SHOOTING/RANGE time involved. **Please do not bring any guns.** Further training is available should you ever want it. These classes are only meant to educate you about firearms safety in your home.

The FREE Seminars' cover the below listed personal choice subjects

- 1- What kind of locking device is right for me and how can I keep my firearm safe from unauthorized individuals and children?
- 2- Do I keep my gun loaded or unloaded and basic differences between types of guns?
- 3- How do I discuss gun safety with my children and how old should they be?
- 4- Is my family/home situation even safe to have a gun in the home?
- 5- How can I seek further education on firearms?
- 6- Are there firearms safety classes for children?
- 7- What is the N.R.A. and what is the N.R.A.'s Eddie Eagle program.
